# LOCATIONS

We're proud to have been showing off Scotland's towns and cities for seven seasons now. We are constantly improving our Scottish offerings as well as growing.

# LOCATIONS

We're always growing but the essence of the tours remains the same! Local guides, local experiences, local insight - the best way to explore the towns and cities of the UK.

# OUR STORY

Liv and Jenny started doing walking tours in 2017 with the simple mission of sharing Glasgow's beauty with tourists.

Now operating in most key locations in Scotland and with our expansion into England from 2022, we're proud to be able to showcase the best that the UK has to offer. Our guides are passionate locals who love what they do and where they live. Their unique insights provide *authentic* experiences, and an opportunity for your clients to meet locals and get to know our towns and cities on a personal level.

From walking tours to step-on guides, our team are ready to help you organise the most memorable experiences for your clients.

# OUR GUIDES

Our guides truly are at the core of Walking Tours in the UK.

We work with guides from all walks of life, not just those with the right certificates. We're all about real people with real stories who just love where they live.

That's why we work with guides of all ages, from all backgrounds and with diverse life stories. We work with an amazing bunch of guides who inspire us, and it gives us the flexibility to match guides with different client demographics too.

# TESTIMONIALS

We look forward to enhancing our partnership as the years progress" - Derek Dear, Abbey DMC

"As a golf tour operator, we pride ourselves on delivering unforgettable experiences both on and off the golf course. Walking Tours in Scotland has allowed us to do just that for every one of our guests. We suggest at least one Walking Tours Scotland tour on every itinerary we offer and over the past year, more than 50 of our guests have taken tours with Walking Tours Scotland. We use them exclusively and they are excellent guides in every locale they serve - our guests love their guides! Jen and Liv run an excellent business and I can think of no better tour partner than Walking Tours in Scotland." - Jeff Bartholomew, Royal Links Golf Tours

"We've been consistently delighted with the exceptional service your guides provide. Their expertise, professionalism, and genuine passion for their work shine through every experience we've had. Our customers have repeatedly expressed their satisfaction with the guides' knowledge, friendliness, and ability to make each excursion memorable. Overall, our partnership has greatly enriched our clients' journeys, leaving them with lasting, positive impressions. Working with Walking Tours in Scotland has truly elevated our travel offerings and left our customers thoroughly satisfied." - Mariama Jallow, Opatrip

"We love Walking Tours in the UK, as do our guests. Your guides are super friendly, punctual and always provide interesting, cool and quirky information on each of their walking tours. I love working with you because it feels like an extension of our own business, providing intimate local guides who are more like a new friend as opposed to a very structured faceless walking tour. Even when when we call you guys up at the last minute you always come through for us. Looking forward to working with you guys into 2024 and beyond." - Rowan Mackie, Mini Mack Tours
